

# THE FIFTH FACE ON MOUNT RUSHMORE

*Mount Rushmore is a gigantic monument carved in the rock of South Dakota mountains. The architects Lincoln and Gutzon Borglum created this sculpture as a symbol of the founding of USA. The memorial represent of 4 famous presidents: George Washington, Thomas Jefferson, Theodore Roosevelt and Abraham Lincoln. The building began in 1927 and ended in 1941.*

**For me the ideal candidate to be represented on Mount Rushmore is Rosa Parks. She lived in racial segregation and she fought for equality between Blacks and Whites. She was born in 1913 in Alabama. She refused to give up her seat for a White person and she was arrested. She received medals for her role in the struggle for civil right and equality. She died in October 2005.**
